

A Cancer Patient's Prayer

By Yvonne Ortega

Dear heavenly Father God,
You know how scared I am. The word, cancer, brings fear into every cell of my body. You made my body and every cell in it, and I trust you to take care of me.

Help me to remember there is a bigger C than cancer and that is Christ the Lord.

I don't want to be angry with you because you allowed cancer to enter my body, but sometimes I am. Please forgive me.

Fill me to overflowing with your peace, your comfort, and your love.

Provide times of rest and relaxation. Show me how to be still and know that you are God.

As I fight discouragement or depression, remind me to look to you and claim the promises of the Bible.

You know all my needs. Provide people who will see my needs and volunteer to help me.

Thank you in advance.

I pray all this in the powerful name of Jesus Christ. Amen.
